WHAT IS WIRELESS?

Wireless, also known as Wi-Fi, provides Internet access using radio frequency waves to exchange information between your laptop and the Internet.

REQUIREMENTS

Web Browser Software (i.e. Internet Explorer, Firefox, etc.)

A compliant 802.11b or higher wireless card installed in your laptop.

ADVANTAGES

- No waiting for an available public Internet computer.
- No time limits on the Internet.
- Ability to save files to your own computer.
- Work when you want and where you want.
- FREE access to a high-speed Internet connection.

GENERAL INFORMATION

*Wireless Settings

*If you need to change your network settings to access the Library's wireless network, be sure to write down your current settings (on the lines provided below) before you change them. This will assist you to return your laptop to its original settings.

Current Settings:

TCP/IP properties =

IP Address _____

Subnet Mask _____

Gateway _____

Preferred DNS _____

Alternate DNS _____

Library Settings:

TCP/IP properties =

IP Address:

Obtain an IP Address automatically

DNS Server:

Obtain DNS Server Address automatically.

SSID (Network Name) = WBPL

Network Authentication = Open

Data Encryption OR WEP =

Disable WEP Encryption OR Choose None

Mode or Network Type =

Infrastructure or Access Point (not ad hoc)

**Windows Vista

*When prompted to enter a PIN click the link "I want to enter the network key or passphrase instead", you will then be connected to our wireless network without entering any information.

ADDITIONAL TIPS

After your laptop is properly configured, it should automatically detect the Library's wireless network (WBPL). If you do not get a response within 2-3 minutes please restart your laptop and try again. Once connected, you will see the Library's Internet Policy display. You must click the "I Accept" button before accessing the Internet.

ELECTRICAL POWER

Outlets with the symbol below are live.

**Please do not move tables. It will damage electric outlets.

PRINTING

To print to the Library's network printers please go to: <http://www.wbpl.us/printing.htm> for directions.

**The printing system will accept barcode numbers from ANY Suffolk County Public Library. If you live out of Suffolk County you must apply for a Guest Card at the Circulation Desk prior to using this service.
